Laurent Mignon – Chairman of the Management Board, Groupe BPCE

Groupe BPCE entered this crisis with robust fundamentals regarding its capital adequacy, liquidity, and risk management, leaving us determined to rise to the challenges that lie ahead. Very close to their clients, the Banques Populaires, the Caisses d’Epargne, Natixis and Palatine are at the forefront of the drive to inform and support them by taking all the necessary measures to satisfy their needs. Thanks to the strong mobilization of everyone involved, the Group was able to respond very quickly in setting up State-guaranteed loans and is now one of the most active banks to roll-out these credit facilities.

Our business model as a universal banking institution, our financial strength, the trust that our customers place in us, and the commitment of our employees are key assets that will enable us to absorb this profound shock and to take all the necessary steps in unison with the public authorities to ensure the recovery of our economy over time. We will do so in every territories in line with our core values, those of a cooperative banking group fully aware of the importance of the role it plays for all the different stakeholders in our society.

Mobilization of all our resources to provide support to our customers

Proactive automatic 6-month deferment of equipment loans
more than 500,000 loan instalments deferred, equal to €5bn in monthly payments

State-guaranteed loan
around 130,000 requests for loans processed for an aggregate total exceeding €22bn

Insurance
4,000 customers eligible for a guarantee in the event of administrative closure due to an epidemic, representing a total of 180 million euros

Mobilization of Group employees
nearly 90% of our branches remain open in all territories with a dedicated employee protection organization; nearly half of our employees working from home

Digital Inside strategy
• enabled a continuous and adapted access to all our customers during lockdown.
• Groupe BPCE’s leadership in France in terms of mobile banking during this period highlighted by D-Rating
