In the Reference Document 2007 in English, the required modifications are outlined below:

- page 193 (Management Report), item 3.4, in the following paragraph
  "The decrease in income before tax is mainly attributed to CNP Assurances' weaker contribution in 2007 compared to the previous year (which had included the contribution of
Ecureuil Vie), due to the fact that the positive impact of the French Finance Act did not carry over into 2006. When restated to account for this, net income of companies accounted for by the equity method advanced 7.4%.

2006 must be read instead of 2007.

- pages 220 (Consolidated Financial Statements of Groupe Caisse d'Epargne) and 321 (Consolidated Financial Statements of the Caisse Nationale des Caisses d'Epargne Group), item 1.5.3, first sentence: "€2 billion" should be replaced with "US$2 billion".

- page 224 (Consolidated Financial Statements of Groupe Caisse d'Epargne), item 3.4, first sentence: "article 16" should be read "article 116".

- page 298 (Aggregate Financial Information of the Caisses d'Epargne – Management Report), item 1.1.1, first sentence: "€billion" should be read "€119billion".

These modifications are made in order to correct errors in the English translation of the French version of the Reference Document, which has been registered with the AMF.
