Note on methodology

Groupe BPCE's segment information has been restated for previous financial periods to take account of changes in the scope of its business lines: inclusion of GCE Paiements, Cicobail and Océor Lease (previously attributed to the Commercial Banking and Insurance division) in the scope of Natixis' core business line: Specialized Financial Services.

What is more, the Foncia and Eurosic equity interests, sold in June and July 2011, were reclassified under "Other Businesses" on June 30, 2011. The segment information of Groupe BPCE has been restated accordingly for the periods in question.
