BPCE SFH (the "Issuer"), subject to compliance with all relevant laws, regulations and directives, may from time to time issue notes to be governed either by French law or German law (respectively the "French law Notes" and the "German law Notes", and collectively, unless otherwise specified, the "Notes") under its Programme. The French law Notes will be Obligations de Financement de l'Habitat within the meaning of Article L.513-30-I of the French Monetary and Financial Code (Code monétaire et financier). The German law Notes will be German law governed Namensschuldverschreibungen. Each of the French law Notes and German law Notes will benefit from the statutory privilège (priority right of payment) created by Article L.513-11 of the French Monetary and Financial Code (Code monétaire et financier).

This second supplement (the "Second Supplement") is supplemental to, and should be read in conjunction with, the base prospectus dated 18 May 2017 prepared in relation to the Programme of the Issuer, which was granted visa n°17-209 on 18 May 2017 by the Autorité des marchés financiers (the "AMF") as supplemented by the first supplement to the Base Prospectus dated 2 October 2017 which was granted visa n°17-525 by the AMF on 2 October 2017 (together, the "Base Prospectus").

The Issuer has prepared this Second Supplement to its Base Prospectus, pursuant to Article 16.1 of the Directive 2003/71/EC of 4 November 2003, as amended on the prospectus to be published when securities are offered to the public or admitted to trading (the "Prospectus Directive") and Article 212-25 of the Règlement Général of the AMF for the following purposes of updating:

4. the section "Résumé du Programme" of the Base Prospectus related to the "Consentement à l'utilisation du Prospectus";
5. the section "Retail cascades" of the Base Prospectus;

Application has been made to the AMF in France for approval of this Second Supplement to the Base Prospectus, in its capacity as competent authority pursuant to Article 212-2 of its Règlement Général.

Save as disclosed in this Second Supplement, no other significant new factor, material mistake or inaccuracy relating to the information included in the Base Prospectus has arisen or been noted, as the case may be, since the publication of the Base Prospectus. To the extent that there is any inconsistency between (a) any statement in this Second Supplement and (b) any other statement in, or incorporated by reference in, the Base Prospectus, the statements in (a) above will prevail.

Règlement Général of the AMF, to withdraw their acceptances within a time limit of minimum two working days after the publication of this Second Supplement (i.e. no later than 5 February 2018), provided that the new factor, material mistake or inaccuracy referred to in the preceding paragraph was prior to the final closing of the public offer and delivery of the Notes.

Copies of this Second Supplement (a) may be obtained free of charge at the registered office of the Issuer (BPCE SFH Service Emissions - 50, avenue Pierre Mendès France – 75201 Paris Cedex 13) and (b) will be made available on the websites of the Issuer (www.bpce.fr) and of the AMF (www.amf-france.org).

COVER PAGE

The following paragraph shall be added at the bottom of the cover page of the Base Prospectus:

"Amounts payable under the Notes may be calculated by reference to EURIBOR, LIBOR, EONIA or CMS which are respectively provided by the European Money Markets Institute ("EMMI"), ICE Benchmark Administration Limited ("ICE"), European Banking Federation ("EBF") and International Swaps and Derivatives Association ("ISDA"). As at the date of the Second Supplement, the EMMI, ICE, EBF and ISDA do not appear on the register of administrators and benchmarks established and maintained by the European Securities and Markets Authority pursuant to Article 36 of Regulation (EU) 2016/1011 dated 8 June 2016 (the "Benchmark Regulation"). As far as the Issuer is aware, the transitional provisions in Article 51 of the Benchmark Regulation apply, such that EMMI, ICE, EBF and ISDA are not currently required to obtain autorisation or registration (or, if located outside the European Union, recognition, endorsement or equivalence)."
The following paragraphs shall be added on page 3 of the Base Prospectus before the paragraph starting by "In this Base Prospectus, unless otherwise specified or the context otherwise requires (...)":

"PRIIPS REGULATION - PROHIBITION OF SALES TO EEA RETAIL INVESTORS – If the Final Terms in respect of any Notes includes a legend entitled "Prohibition of Sales to EEA Retail Investors", the Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU ("MiFID II"); or (ii) a customer within the meaning of Directive 2002/92/EC, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Directive. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the "PRIIPS Regulation") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPS Regulation.

MiFID II product governance / target market – The Final Terms in respect of any Notes will include a legend entitled "MiFID II Product Governance" which will outline the determination of the type of clients in the context of the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the MiFID Product Governance rules under EU Delegated Directive 2017/593 (the "MiFID Product Governance Rules"), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules."

For the avoidance of doubt, none of the Dealers or the Issuer shall have any obligation to ensure that an Authorised Offeror complies with applicable laws and the consent to the use of the Base Prospectus relates to Offer Periods (if any) beginning within twelve (12) months from the date of the approval of the Base Prospectus by the AMF.

The terms and conditions of the Non-exempt Offer shall be provided
to investors by that Authorised Offeror at the time of the Non-exempt Offer. Neither the Issuer nor any of BPCE or Natixis or other Authorised Offerors has any responsibility or liability for such information or the consequences of its use by the relevant investors.”

The paragraphs under the section "Retail Cascades" on pages 51 and 52 of the Base Prospectus will be deleted in their entirety and replaced with the following:

"Certain tranches of French law Notes with a specified denomination of less than €100,000 (or its equivalent in any other currency at the time of issue) may be offered in circumstances where there is no exemption from the requirement to publish a prospectus (a "Non-exempt Offer") under Directive 2003/71/EC of the European Parliament and of the Council dated 4 November 2003, as amended (the "Prospectus Directive").

The consent to the use of the Base Prospectus relates to Offer Periods (if any) beginning within twelve (12) months from the date of the approval of this Base Prospectus by the AMF.

In the context of a Non-exempt Offer, the Issuer may, if so specified in the relevant Final Terms, consent to the use of the Base Prospectus and the relevant Final Terms (together, the "Prospectus") in connection with a Non-exempt Offer of any Notes in France (the "Public Offer Jurisdiction(s)") during the offer period specified in the relevant Final Terms (the "Offer Period") by:

(i) subject to conditions set out in the relevant Final Terms, any financial intermediary authorised to make such offers pursuant to the Markets in Financial Instruments Directive 2004/39/EC dated 21 April 2004, as amended, if applicable specified in the relevant Final Terms; or

(ii) if so specified in the relevant Final Terms, any financial intermediary which satisfies the following conditions: (a) acts in accordance with all applicable laws, rules, regulations and recommendations of any applicable regulatory bodies (the "Rules"), from time to time including, without limitation and in each case, Rules relating to both the appropriateness or suitability of any investment in the Notes by any person and disclosure to any potential investor; (b) complies with the restrictions set out under "Subscription and Sale" in this Base Prospectus which would apply as if it were a dealer appointed under the Programme; (c) complies with the target market and distribution channels identified under the "MiFID II product governance" legend set out in the applicable Final Terms; (d) ensures that any fee (and any commissions or benefits of any kind) received or paid by that financial intermediary in relation to the offer or sale of the Notes is fully and clearly disclosed to investors or potential investors; (e) holds all licences, consents, approvals and permits required in connection with solicitation of interest in, or offers or sales of, the Notes under the Rules; (f) retains investor identification records for at least the minimum period required under applicable Rules, and shall, if so requested, make such records available to the relevant Dealer(s) and the Issuer or directly to the appropriate authorities with jurisdiction over the Issuer and/or the relevant Dealer(s) in order to enable the Issuer and/or the relevant Dealer(s) to comply with the Rules relating to anti-money laundering, prevention of corruption and "know your client" applicable to the Issuer and/or the relevant Dealer(s); (g) does not, directly or indirectly, cause the Issuer or the relevant Dealer(s) to breach any Rule or any requirement to obtain or make any filing, authorisation or consent in any jurisdiction; and (h) satisfies any further conditions specified in the relevant Final Terms (in each case an "Authorised Offeror"). For the avoidance of doubt, none of the Dealers or the Issuer shall have any obligation to ensure that an Authorised Offeror complies with applicable laws and regulations and shall therefore have no liability in this respect.

The Issuer accepts responsibility, in the Public Offer Jurisdiction(s) specified in the Final Terms, for the content of the Prospectus in relation to any person (an "Investor") in such Public Offer Jurisdiction(s) to whom an offer of any Notes is made by any Authorised Offeror and where the offer is made during the period for which that consent is given and in compliance with all other conditions attached to the giving of the consent. However, neither the Issuer nor any Dealer has any responsibility for any of the actions of any Authorised Offeror, including compliance by an Authorised Offeror with applicable conduct of business rules or other local regulatory requirements or other securities law requirements in relation to such offer.

The consent referred to above relates to Offer Periods (if any) occurring in the periods beginning and ending on the dates specified for such purpose in the relevant Final Terms relating to such Non-Exempt Offers and provided that the relevant Final Terms have been duly published and specify that offers may be made to the public in Public Offer Jurisdictions, all in accordance with the Prospectus Directive.

In the event the Final Terms designate financial intermediary(ies) to whom the Issuer has given its consent to use the Prospectus during an Offer Period, the Issuer may also give consent to additional Authorised Offerors after the date of the relevant Final Terms and, if it does so, it will publish any new information in relation to such Authorised Offerors who are unknown at the time of the approval of this Base Prospectus or the filing of the relevant Final Terms at www.bpce.fr.

If the Final Terms specify that any financial intermediary may use the Prospectus during the Offer Period, any such Authorised Offeror is required, for the duration of the Offer Period, to publish on its website a statement confirming that it is using the Prospectus for the relevant Non-exempt Offer with the consent of the Issuer and in accordance with the conditions attached thereto.
Other than as set out above, neither the Issuer nor any of the Dealers has authorised the making of any Non-exempt Offer by any person in any circumstances and such person is not permitted to use the Prospectus in connection with its offer of any Notes. Any such offers are not made on behalf of the Issuer or by any of the Dealers or Authorised Offerors and none of the Issuer or any of the Dealers or Authorised Offerors has any responsibility or liability for the actions of any person making such offers.

An Investor intending to acquire or acquiring any Notes from an Authorised Offeror will do so, and offers and sales of the Notes to an Investor by an Authorised Offeror will be made, in accordance with any terms and other arrangements in place between such Authorised Offeror and such Investor including as to the price, allotment, settlement/delivery arrangements and any costs or taxes to be invoiced to the Investor (the "Terms and Conditions of the Non-exempt Offer"). The Issuer will not be a party to any such arrangements with Investors (other than Dealers) in connection with the offer or sale of the Notes and, accordingly, the Base Prospectus and any Final Terms will not contain such information. The Terms and Conditions of the Non-exempt Offer shall be provided to Investors by that Authorised Offeror at the time of the Non-exempt Offer. Neither the Issuer nor any of the Dealers or other Authorised Offerors has any responsibility or liability for such information or the consequences of its use by the relevant Investors.”
BPCE is governed by a management board (directoire) and a supervisory board (conseil de surveillance).

The management board (directoire) is composed of a maximum of five (5) individual members who may be up to 65 years of age and need not be shareholders. Members of the management board (directoire) may perform other offices subject to compliance with the laws and regulations in force. However, a member of the management board (directoire) may not perform similar duties with a Caisse d’Epargne et de Prévoyance or a Banque Populaire.

The members of the management board (directoire) are appointed for a term of four (4) years by the supervisory board (conseil de surveillance) which appoints one of the management board (directoire) members as chairman (président).

The management board (directoire) is vested with the broadest powers to act in all circumstances in the name of the company, within the scope of the corporate purpose and subject to the powers attributed by law to the supervisory board (conseil de surveillance) or to shareholders’ meetings.

The members of the management board are as follows:

François PÉROL       Chairman of the management board
François RIAHI       Chief Executive Officer - Finance, Strategy and Legal Affairs
Laurent ROUBIN       Chief Executive Officer - Commercial Banking and Insurance
Catherine HALBERSTAD Chief Executive Officer - Human Ressources and Group Internal Communications
Laurent MIGNON       Natixis Chief Executive Officer

Under Article 17 of the bylaws, supervisory board (conseil de surveillance) meetings are called by its chairman. They are held as often as the interest of BPCE requires, and at least four times a year. The supervisory board is composed of 10 to 18 members designated by the general meeting of shareholders.”

TAXATION

On pages 198 to 199 of the Base Prospectus, the paragraph "France" set out in section "Taxation" is replaced as follows:

French Withholding Tax

The following is an overview of certain tax considerations that may be relevant to Noteholders who do not concurrently hold shares of the Issuer.

Payments of interest and other income made by the Issuer with respect to Notes will not be subject to the withholding tax set out under Article 125 A III of the French General Tax Code (Code général des impôts), unless such payments are made outside France in a non-cooperative State or territory (Etat ou territoire non coopératif) within the meaning of Article 238-0 A of the French General Tax Code (Code général des impôts) (a "Non-Cooperative State"). If such payments under the Notes are made in a Non-Cooperative State, a 75% withholding tax will be applicable (subject (where relevant) to certain exceptions summarised below and the more favorable provisions of any applicable double tax treaty) pursuant to Article 125 A III of the French General Tax Code (Code général des impôts). Notwithstanding the foregoing, Article 125 A III of the French General Tax Code (Code général des impôts) provides, that the 75% withholding tax will not apply in respect of a particular issue of Notes if the Issuer can prove that the principal purpose and effect of such issue of Notes was not that of allowing the payments of interest or other income to be made in a Non-Cooperative State (the "Exception"). Pursuant to the official regulation published by French tax authorities on 11 February 2014 (Bulletin Officiel des Finances Publiques-Impôts - BOI-INT-DG-20-50-20140211, section No. 990), an issue of Notes will be deemed to have a qualifying purpose and effect, and accordingly will be able to benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of the issue of Notes if such Notes are:

(i) offered by means of a public offer within the meaning of Article L.411-1 of the French Monetary and Financial Code (Code monétaire et financier) or pursuant to an equivalent offer in a state or territory other than a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or

(ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator, an investment services provider, or by a similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or

(iii) admitted, at the time of their issue, to the clearing operations of a central depositary or of a securities clearing, delivery and payments systems operator within the meaning of Article L.561-2 of the French Monetary and Financial Code (Code monétaire et financier), or of one or more similar foreign depositaries or operators provided that such depositary or operator is not located in a Non-Cooperative State.

Furthermore, by virtue of Article 238 A of the French General Tax Code (Code général des impôts), interest and other income paid by or on behalf of the Issuer with respect to such Notes may no longer be deductible from the Issuer's taxable income if they are paid or accrued to persons established or domiciled in a Non-Cooperative State or paid in such a Non-Cooperative State. Under certain conditions, any such non-deductible interest and other income may be recharacterised as deemed distributed income pursuant to Articles 109 et seq. of the French General Tax Code (Code général des impôts), in which case such non-deductible interest and other income may be subject to the withholding tax set out under Article 119 bis of the French General Tax Code (Code général des impôts), at a rate of (i) 12.8% for payments benefitting to individuals who are not fiscally domiciled (domiciliés fiscalement) in France, (ii) 30% until 31 December 2019, 28% as from 1 January 2020, 26.5% as from 1 January 2021, 25% as from 1 January 2022 for payments benefitting to legal persons which are not fiscally domiciled (domiciliés fiscalement) in France, (iii) 75% for payments made in a Non-Cooperative State, subject in any case to the more favourable provisions of any applicable double tax treaty.

However, neither the non-deductibility set out under article 238 A of the French General Tax Code (Code général des impôts) (as further specified by the official regulation (Bulletin Officiel des Finances Publiques-Impôts published by French tax authorities on 11 February 2014, BOI-INT-DG-20-50-20140211, Section No. 550) nor the withholding tax set out in article 119 bis 2 of the French General Tax Code will apply in respect of the issue of Notes if the Issuer can prove that it can benefit from the Exception and that the relevant interest or revenues relate to genuine transactions and are not an abnormal or exaggerated amount. Pursuant to the official regulation published by French tax authorities on 11 February 2014 (Bulletin Officiel des Finances Publiques – Impôts – BOI-INT-DG-20-50-20140211, Section No. 550), an issue of Notes will benefit from the Exception
without the Issuer having to provide any proof of the purpose and effect of the issue of the Notes, if such Notes qualify to one (1) of the three (3) above-mentioned classifications.

**Payments made to French resident individuals**

Pursuant to Articles 125 A and 125 D of the French General Tax Code (*Code général des impôts*) subject to certain limited exceptions, interest and other similar revenues received as from 1 January 2018 by individuals who are fiscally domiciled (*domiciliés fiscalement*) in France are subject to a 12.8% withholding tax, which is deductible from their personal income tax liability in respect of the year in which the payment has been made. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding tax at an aggregate rate of 17.2% on interest and other similar revenues paid to individuals who are fiscally domiciled (*domiciliés fiscalement*) in France."
The paragraphs under the heading "European Economic Area" (and the heading itself) in the section "Subscription and Sale" on page 202 of the Base Prospectus will be deleted in their entirety and replaced with the following:

"European Economic Area

Prohibition of sales to EEA retail investors

Unless the Final Terms in respect of any Notes specifies the "Prohibition of Sales to EEA Retail Investors" as "Not Applicable", each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the Final Terms in relation thereto to any retail investor in the European Economic Area.

For the purposes of this provision:

(a) the expression "retail investor" means a person who is one (or more) of the following: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU, as amended ("MiFID II"); or (ii) a customer within the meaning of Directive 2002/92/EC, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Directive (as defined below); and

(b) the expression an "offer" includes the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes.

Public offer selling restriction under the Prospectus Directive

If the Final Terms in respect of any Notes specifies "Prohibition of Sales to EEA Retail Investors" as “Not Applicable”, each Dealer has represented and agreed that it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the relevant Final Terms, to the public in a member state of the European Economic Area (each, a "Member State") except that it may make an offer of such Notes to the public in that Member State:

(a) if the Final Terms in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Member State (a "Non-exempt Offer"), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Member State or, where appropriate, approved in another Member State and notified to the competent authority in that Member State, provided that any such prospectus has subsequently been completed by the Final Terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or Final Terms, as applicable;

(b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;

(c) at any time to fewer than 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or

(d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in paragraphs (b) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive, or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expressions (i) an "offer of Notes to the public" in relation to any Notes in any Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State, (ii) "Prospectus Directive" means Directive 2003/71/EC of the European Parliament and of the Council dated 4 November 2003, as amended, and includes any relevant implementing measure of such directive in each relevant Member State."
The following paragraph will be added at the bottom of the section "General Information" on page 205 of the Base Prospectus:

"(15) Amounts payable under the Notes may be calculated by reference to EURIBOR, LIBOR, EONIA or CMS which are respectively provided by the European Money Markets Institute ("EMMI"), ICE Benchmark Administration Limited ("ICE"), European Banking Federation ("EBF") and International Swaps and Derivatives Association ("ISDA"). As at the date of this Base Prospectus, the EMMI, ICE, EBF and ISDA do not appear on the register of administrators and benchmarks established and maintained by the European Securities and Markets Authority pursuant to Article 36 of Regulation (EU) 2016/1011 dated 8 June 2016 (the "Benchmark Regulation"). As far as the Issuer is aware, the transitional provisions in Article 51 of the Benchmark Regulation apply, such that EMMI, ICE, EBF and ISDA are not currently required to obtain authorisation or registration (or, if located outside the European Union, recognition, endorsement or equivalence)."
